

THE CONNECTOR

YOUR HELP IS NEEDED!

June 16-25

The Navajo Reservation Mission Team needs you to volunteer to assist in VBS, Food Preparation, remodeling, and evangelism. You are especially needed if you have any experience as a nurse, EMT, or hairstylist.

If you are unable to come on the trip, you can still have an impact through our \$5 Navajo Buckets that we fill annually with various items to assist us in door-to-door evangelism. You can pay for them and pick them up at the BEBA office along with a list of items to put in the buckets.

For more information about the trip you can call Jason Lowe at: (865)776-3850

CANNON'S CORNER

BY MATT CANNON

I am writing this during my first full week as your Director of Missions and it has been a good one. Why? For one, aside from knocking a picture off of my desk and onto the floor, I haven't broken anything yet. But mostly it's been good as I have gotten acquainted with the position and what it's going to entail for me as I seek to help you, your church, and our association now and in the future. In talking to Adam, the administrative assistant, about this, he said, "You've got to pave the road before you can drive on it." This means before moving too far forward, I must first prepare to move forward by getting the processes and pieces in place so the forward movement will be with clarity, passion, and purpose. This is being accomplished and for that I am thankful.

I will end my portion of this newsletter by thanking the Lord Jesus Christ for the opportunity to serve in His kingdom and by thanking the association for the privilege of serving in this role. Additionally, I encourage you to reach out to me via phone call, text message, e-mail, Facebook message, or in person if I can help you or your church in any way or if you have anything at all you would like to discuss with me. May we seek to honor our Savior with joy in our hearts as we cooperate with each other for the glory of God!

In His Service,
Matt Cannon
